IN THE UNITED STATES PATENT AND TRADEMARK OFFICE  
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

STUSSY, INC.,

v.

JOHN SHUGART,

Opposition No. 91190164

Serial No. 77626926

RESPONSE TO PHONE DISCOVERY

I do not wish to have a telephone conference with the Opposer, since I have already provided any details in my Answer to Opposition. I honestly do not believe that Shine Skateboarding's registered mark is, in any way, an infringement of the Opposer's logo. Although the Opposer's allegations have been thorough, they have not presented a specific comparison of one mark. However, they have muddled details to their various marks together for an argument against my registered mark. I do not believe there is a likelihood-of-confusion between the Opposer's mark(s) and my Shine Skateboarding's mark consisting of two touching letters, which artistically form the shape of a heart. I do wish to continue my registration for certification as the principal register, and remain in compliance with the United States Patent and Trademark office for my mark's completion. Thank you for your continued attention to my application, and I hope to hear a response soon.

Sincerely,

A handwritten signature in cursive script, appearing to read "J. Shugart", written in dark ink.

John Shugart
